Quick Start Guide

Turn Your Phone On and Off

To turn your phone on, press and hold the Power key until the phone powers on, the Home screen appears, and your phone is ready to use.

To turn your phone off, press and hold the Power key and select "Power off." The phone will turn off.

Charge the Battery

1. Open the back cover.
2. Remove the battery.
3. Connect the USB cable from the phone and the AC adapter.
4. The charging indicator will appear on the status bar.

SIM Card

1. Open the back cover.
2. Remove the battery.
3. Insert the SIM card into the SIM slot.
4. Replace the battery and back cover.

Home Screen

The home screen is the starting point for your phone's applications.

1. From home, press the Left soft key to access the apps list screen, and then select Phone to access the Phone menu.
2. To end the call, press the End key.

Photos

1. Open the back cover.
2. Remove the battery.
3. Press the number keys to enter the phone number.
4. The status bar appears at the top of your Home screen.

Status Bar

The status bar appears at the top of your Home screen. From the status bar, you can access important information about your phone.

1. From home, press the Left soft key to access the apps list screen, and then select Messages to access the Messages menu.
2. Send a Text Message:
   a. Press the OK key to access the apps list screen, and then select Messages to access the Messages menu.
   b. Press the number keys to enter the phone number.
   c. Select the "Send message" field and then start composing your message.
   d. Press the OK key to send the message.

Contacts

1. From home, press the Left soft key to access the apps list screen, and then select Contacts to access the Contacts menu.
2. To add a contact, press the number keys to enter the contact's phone number.
3. Press the OK key to save the contact.

Media Library

1. From home, press the Left soft key to access the apps list screen, and then select Music to access the Music menu.
2. To add a song to your media library, press the number keys to enter the song's name.
3. Press the OK key to save the song.

Gallery

1. From home, press the Left soft key to access the apps list screen, and then select Gallery to access the Gallery menu.
2. To view photos and watch videos, open the Gallery app and select an album (such as Camera).
3. To view an image in full screen, touch and hold the image.
4. To share a photo or video, press the OK key and select Share.

Connect to a Wi-Fi Network

1. From home, press the Left soft key to access the apps list screen, and then select Settings to access the Settings menu.
2. Select the Wi-Fi option to turn on Wi-Fi.
3. From the Wi-Fi menu, select a Wi-Fi network to connect to.

Share Photos and Videos

1. From home, press the Left soft key to access the apps list screen, and then select Share to access the Share menu.
2. Select the photos or videos you want to share.
3. Press the OK key to share the photos or videos.

Bluetooth

1. From home, press the Left soft key to access the apps list screen, and then select Bluetooth to access the Bluetooth menu.
2. Select the photo or video you want to share.
3. Press the OK key to share the photo or video.
